Safety protocols to protect exhibitors and patrons

East Gippsland Field Days has approval from the DHHS to run a tier 2 event with a total crowd of under 3000 people visiting the site each day.

COVID Marshals will be in place throughout the event to ensure crowds do not gather in large numbers and COVID safety practices are adhered to.

COVID Safe printed materials will be displayed at the entry to and around the venue and the PA system will be used to remind patrons of their responsibilities.

Based on guidance from DHHS Victoria and Worksafe all exhibitors must agree to the following conditions to participate in the East Gippsland Field Days:

Training and Compliance

- All exhibitors to agree to practice the COVID Safe conditions included in this document

Masks and social distancing

- If asked to by organisers exhibitors must wear a fitted face mask
- Maintain 1.5 metres in distance from other people at all times
- Ensure large groups of people are not gathering at your stall at once
- Remind visitors to your stall to maintain 1.5m distance if they are not part of the same group
- Request that patrons be patient and queue if necessary with 1.5m distance between them
- Remain behind your desk or display when talking to patrons where possible

Hygiene and Cleaning

- Sanitise Hands thoroughly and frequently during the event
- Ensure your stand has sanitiser available for patrons to use
- Avoid allowing patrons to handle any printed material that you will be re using. Opt for single use documents where possible that they can take away with them
- Wipe down any surfaces that are frequently touched

Record Keeping

- Sign in using the QR code when asked
- Provide full contact details to the event organisers of each person who is manning your stand, including those who are assisting with set up and pack up

By attending the East Gippsland Field Days, exhibitors are deemed to have agreed to abide by the above conditions.
