About The Event

The East Gippsland Field Days is one of the region's largest and most well known events, attracting thousands of visitors from not only East Gippsland, but right across Gippsland.

The event is hosted by the Lions Club of Lindenow and is produced by a team of dedicated committee members who work 12 months of the year on the event and upkeep of the land on which it is held.

The event has evolved from primarily a farming and agriculture event to the well rounded event that offers something for everyone that you see today.

The committee is proud to support various community clubs, groups and individuals across the region with proceeds raised each year.

Event Highlights

Over 6000 visitors from across Gippsland every year

Features 200 plus varied exhibitors showcasing a broad range of products and services

Proceeds donated to a range of community groups, organisations and individuals

Benefits for Sponsor

First Benefit

An opportunity to support a local, predominantly volunteer run committee, that aims to donate proceeds made each year to various local community projects, sporting groups, organisations and individuals in need

Second Benefit

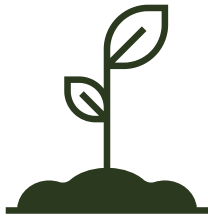

Showcase your brand to over 6000 visitors and 200 plus exhibitors from across Victoria and interstate

Third Benefit

Be part of an event that has been sustainable for over 35 years and is embedded in the East Gippsland community as one of the largest and most popular events for not only East Gippsland residents, but visitors from right across the region
